Visual identity Introduction

I designed this identity to show intellect, strategy, and timeless structure into one simple marK. The brain symbolizes Knowledge and innovation. The maze reflects complexity, problem-solving, and sKill. The Roman column anchors it all a nod to legacy, strength, and classical wisdom. Every line is intentional. It's made for a brand that's young, sharp, and built to lead.

THE LOGO IDEA

As requested, I've developed a logo that merges a brain-shaped maze with subtle elements of a Roman column, all within a clean, minimal, and symmetrical design. The concept reflects intelligence, innovation, and structure — capturing the essence of a brand that's both strategic and forward-thinKing. The result is a modern, memorable marK with timeless roots.
